

# WCFC Type Checkout

To complete your type checkout you will need:

- Licensed Pilot Written Quiz
- Type Specific Written Quiz
- 2 Photocopies of:
  - Drivers License
  - Pilot Certificate
  - Medical Certificate (last current if Basic Med)
  - WCFC Basic Med Compliance (if Basic Med)

Please have the drivers license and pilot certificate copies on a single page. (SOP.II.11)

The quizzes are open book and you can complete them before our flight and we can review them together at that time.

You can access a variety of club documentation at:

<https://wingsofcarolina.org/documentation-and-forms>

Including:

- The quizzes referenced above
- The WCFC [Basic Med Compliance Form](#) referenced above. (SOP.II.11.b)

Other documents you should review from the web site include:

- [Handbook for Members](#)
- The appropriate aircraft checklists
- [Accident Procedure](#)

You can access the various aircraft and avionics manuals available at:

<https://manuals.wingsofcarolina.org/>

If you're unfamiliar with the GTN 650/750 GPS there is a simulator available from Garmin:

<https://www.garmin.com/en-US/p/115857#additional>

If checking out in the Mooney there are WCFC created videos on the avionics on YouTube:

<https://www.youtube.com/@wingsofcarolinaflyingclub2181>

You can see the elements of the Club Checkout in the [Checkout, Annual Form](#).

**An initial Night Check is also required within 90 days of the initial type checkout regardless of whether you plan to fly at night. (SOP II.1.b & SOP II.1.e)**

**YOU MAY NOT FILE IFR OR FLY IN CONDITIONS LESS THAN VMC unless you have completed a Flying Club IPC within the previous 12 months - regardless of your Instrument Currency. (SOP II.1.d)**

A Flight Review can be completed as part of a checkout with the addition of the required 1 hour of Ground Instruction.
